Privacy of data

Members personal or organisational information, email address or any other information that you give us will never be released or otherwise given out, sold, given away, rented or loaned out to any person or party, public or private without your express written consent.

**SportRenfrewshire exists to serve and represent members of local sports clubs by providing information and support networks and partnerships, training opportunities and representing the interests of Renfrewshire sports clubs at local, national and international levels
Our main focus is furthering the needs and interests of sports people in Renfrewshire**

SportRenfrewshire champions Renfrewshire Sport for All in conjunction with the Scottish Association of Sports Councils www.salsc.org.uk (Our Chairman is an executive member and chairs the Service Committee) and ISCA www.isca-web.org as well as sportscotland www.sportscotland.org.uk

Most importantly SportRenfrewshire is the voice of Renfrewshire Sport and Physical Activity

We are the Independent direct liaison and representative body for Sport for All in Renfrewshire

SportRenfrewshire is a voluntary organisation run by volunteers who are elected at our Annual General Meeting to oversee the aims of SportRenfrewshire.

We send an email bulletin to clubs and those on our database at least once a month with information on a whole host of topics relating to sport at local, national and international level.

We also provide information and enable educational and vocational opportunities for local sports people.

*Never before has the importance of sport at grass roots level been as relevant as it is in today's climate.
Local sport plays a significant part in any community and as such needs representation with those who are charged with the delivery of community development.
SportRenfrewshire is that representative body.*

How we can help your club!!!

- We can advertise your club and training times
- Tell us your upcoming events and we will advertise them in our Bulletin/News Letter
- Provide you with details of facilities and services within Renfrewshire and beyond.
 - Volunteer & Club Recognition Award Scheme
